

Advertising in HART

HART, leading magazine for contemporary art in Belgium and beyond since 2006, is read by thousands of artists, collectors, professionals and art lovers.

HART is published monthly on paper, except for August. All our articles also appear on our website, with additional free content.

We believe that advertisements from interesting organizations, initiatives and brands are a valuable addition for our loyal and curious audience.

HART is the ideal channel to increase both brand awareness and visitor numbers.

We offer the following advertisement options:

- advertisements in the printed issue
- inserts in the printed issue
- banners on the website
- year buttons on the website
- banners in the newsletter

You can advertise in HART for as little as € 350.

All rates are excluding 21% VAT.

HART can design your ad for you. Pricing starts at € 150.

website

The standard duration of web banners is 4 weeks. For longer or shorter periods we can provide a custom rate.

To ensure your banner is legible we advise you to make the text large enough and to spread it over multiple frames in a gif if necessary.

Year buttons show your logo in black and white. The duration of year buttons is one year.

Web banners and year buttons can go online within two business days.

Since we do not use an advertising network for our web banners, they should not be affected by ad blockers.
